

**“Walking with
Waves”**

David A. Garcia

**“Use a hollow
tube as a
walking stick”**

“Attach a box to the tube, which you can place your phone securely inside”

“...connect the walking stick and the box with a smaller tube...”

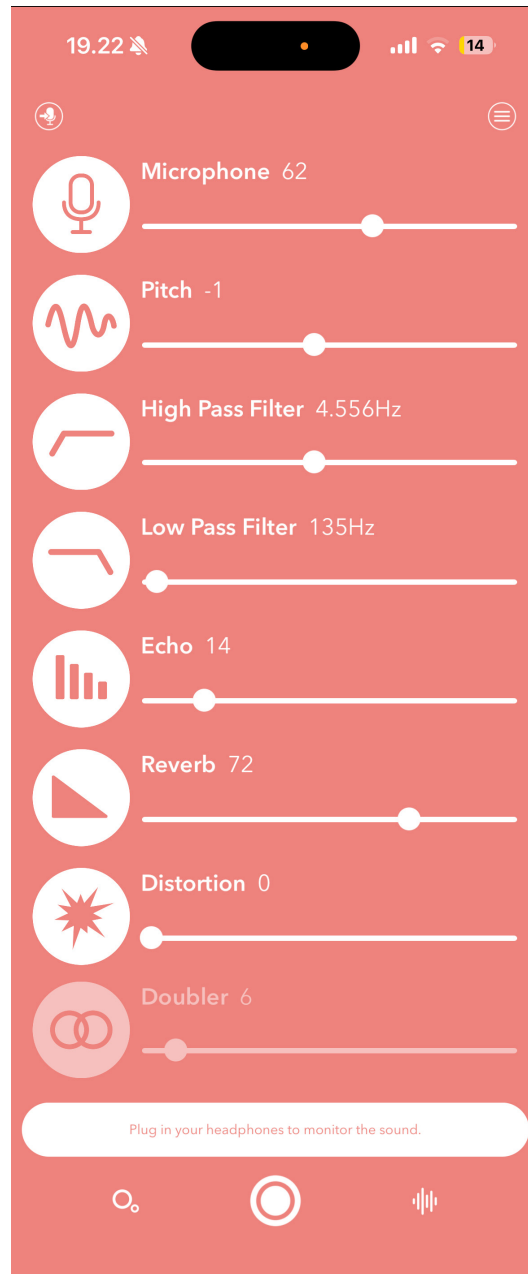

“...and seal the phone to shield out other sounds”

**“put the phone in-
side and start the
app MOREC”**

“set the app settings as shown below...”

“... and start the recording”

**“connect your
headphones to the
phone....and set off to
walk with waves”**

A photograph of a wooden plank background. In the upper left, a pair of black headphones is connected by a thin wire to a black portable music player. A long, thin wooden stick with a black grip is positioned vertically on the right side of the image.

**“remember
to save your
recordings”**
